Based on the preliminary review of the management accounts of the Group and the information currently available to the Company, it is expected to record a decrease of approximately 40% to 50% in net profit attributable to owners of the Company for the year ended 31 March 2022 as compared to that for the corresponding period in 2021.

**Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.**

This announcement is made by Hanison Construction Holdings Limited (“**Company**” and together with its subsidiaries, “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (“**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (“**SFO**”).

The board of directors of the Company (“**Board**”) wishes to inform the shareholders of the Company and potential investors that the Group is expected to record a decrease of approximately 40% to 50% in net profit attributable to owners of the Company for the year ended 31 March 2022 as compared to that for the corresponding period in 2021. There was an overall decline in the bottom line profit due to (a) lack of exceptionally large gain on disposals of self-used properties and subsidiaries as compared with the last financial year; and (b) a reduction in government subsidies received in this financial year.
